

CATIFA 80

arper

Catifa 80

Catifa 80 is a light, low lounge chair with a pronounced horizontal character. Its reduced profile and wide seat are generous without being heavy or bulky. On its own it is a quiet, comfortable resting place or, grouped, a serene space for waiting or gathering. Made for both residential and contract use, Catifa 80 can be covered in leather or fabric. The base is available in aluminum four-way trestle with swivel or return mechanisms, chrome-finish sled base or central base in lacquered steel. The Catifa 80 Collection is GreenGuard certified.

Designer

Lievore Altherr Molina

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manuel Molina in 1991. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients of the prestigious National Design Award (1999) in Spain where they practice and teach extensively.
